**Circular No.SRMJV/001/2018-19**

**Dear Parent,**

Whenever people suffer due to natural calamities like floods, all of us contribute and send our help by way of clothing, food etc. In view of the enormous amount of such help coming to one place at the same point of time, the affected people may be receiving help far beyond their requirement. Of course, we should encourage such help. At the same time, there may be other ways of helping the needy on a continuous basis. We would like to introduce the following scheme. Viz. '**Special Birthday Gift Scheme**'.

**Details of the Scheme:**

- 1) When your child is celebrating his / her birth day, you may buy a birth day dress of your choice to your ward. At the same time, if you so desire, you may also buy one more set at whatever cost you want and send it to the school.
  
- 2) The school will collect the details of names and birth days of children in nearby places like Orphanages, Charity Houses etc. and send this dress to someone of the same age in that place celebrating birthday on that day.
  
- 3) The recipient will not know which child has donated, but they know that it is coming from our children. The school will maintain details of the child who donated.

The above is purely optional and not compulsory. If you feel like sending it directly to some needy people, you may also do it.
